

Highvale Primary School

'School Wide Positive Behaviour Matrix of Expectations'

The Positive Behaviour Expectation Matrix translates Highvale Primary School's school values into expected behaviours. The purpose of the 'Matrix' is to support students understanding of the behaviours we expect to see, and that these are foremost in their minds.

All staff utilise these expectations to highlight positive behaviours in each classroom and throughout all settings of the school. The expected behaviours were developed with input from all the students and staff at Highvale P.S.

		SETTINGS						
		Always	Learning Areas	Play Areas	Walkways	eLearning	Grounds	Toilets
BEHAVIOURS	<i>We are Responsible</i>	I will: -Own my actions -Lead by example -Report problems to a teacher -Arrive at school on time -Leave school promptly	I will: -Look after my belongings -Keep the classroom neat and tidy -Be organized -Listen carefully and work cooperatively -Use my time appropriately	I will: -Care for equipment and the environment -Follow rules in games -Take turns	I will: -Walk directly to my destination -Only enter corridors during class times -Keep my belongings off the floor	I will: -Use iPads and laptops for the learning that is needed -Use technology responsibly	I will: -Look after the Sanctuary garden and animals -Always put rubbish in the bin before I go outside -Play in designated play areas, not in garden	I will: -Use toilets appropriately -Flush toilet and wash my hands
