

53. Inclusion and Diversity Policy

PURPOSE

The purpose of this policy is to explain Highvale Primary School's commitment to making sure every member of our school community, regardless of their background or personal attributes, is treated with respect and dignity. Highvale Primary School strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff. For staff, this policy should be read alongside the Department of Education and Training's [Respectful Workplaces](#) policies (including [Equal Opportunity and Anti-Discrimination](#), [Sexual Harassment](#) and [Workplace Bullying](#)) as these whole of Department policies apply to all staff at Highvale Primary School.

POLICY

These include: race, disability, sex, sexual orientation, gender identity, religious belief or activity, political belief or activity, age, intersex status, physical features, pregnancy, carer and parental status, breastfeeding, marital or relationship status, lawful sexual activity, employment activity, industrial activity, expunged homosexual conviction or personal association with anyone who is identified with reference to any protected attribute.

Vilification: conduct that incites hatred towards or revulsion or severe ridicule of a person or group of people on the basis of their race or religion.

Inclusion and diversity

Highvale Primary School has a proudly diverse community. We have 232 families in our school community with cultural backgrounds from over 31 countries.

Highvale Primary School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Highvale Primary School acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Highvale Primary School we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Highvale Primary School will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, school performances etc) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

At Highvale Primary School, we have a strong parent association, known as Highvale Primary Community Group (HPCG), and we encourage parents of all cultural backgrounds to attend. Our HPCG banner exemplifies this with the words 'Welcome' in all the languages spoken in our school and more. Our school newsletter and other online communication platforms are able to be translated, assisting families where English is not their first language to access school news. Other events such as Harmony Day are promoted throughout the school, with students encouraged to wear orange and information distributed to families through the newsletter and assembly items. All this serves to create a school community that is open and embracing of all members.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Highvale Primary School. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying Prevention* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Reasonable adjustments for students with disabilities

Highvale Primary School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities, and communicating with us in relation to a student's disability, please refer to our school's *Student Wellbeing and Engagement* policy or contact Assistant Principal, Joshua Crozier, for further information.
