

Highvale Primary School's App and Website Guide

Below you can find helpful apps and websites used at our school. You may like to access these with your children over the holidays. They may aid in homework tasks.

Mathematics		
Mathletics Students		The Mathletics app is a student's best companion tool for Mathletics, the world's leading online Mathletics program.
Khan Academy		You can learn anything. For free. Spend an afternoon brushing up on statistics, discover how the Krebs cycle works or learn about the fundamentals of music notation.
Calculator		Use a standard calculator in portrait mode or turn your device to landscape mode for more advanced calculations using the scientific.
English		
ABC Reading Eggs		Used by over 10 million children, this app features alphabet games, spelling games, phonics activities, word puzzles, nursery rhymes and over 2,500 story books for kids.
Reading Eggspress		Reading Eggspress makes reading books, improving spelling skills and building reading comprehension highly engaging for kids aged 7 to 13.
Puppet Pals Pocket		Create your own unique shows with animation and audio in real time. Simply pick out your actors and backdrops, drag them on stage and tap record.

Oxford Dictionary of English		The world's most trusted English dictionary with definitions by Oxford University Press.
------------------------------	---	--

STEAM

Blockly for Dash and Dot Robots		Blockly is a visual drag-and-drop programming tool developed by Google that allows children to snap together commands like puzzle pieces.
Path for Dash Robot		Draw a path to your next adventure with Dash! Program your robot using a single 'line' of code at the racetrack, on a farm or even on an obstacle course of your own.
Box Island		Take a trip onto a new mysterious island and help Hiro explore it! In this fun mobile tutorial, students take part in a journey that has been specifically designed for coding.
Playschool Art Maker		The Play School Art Maker app is a fun way for kids to freely create pictures, animated movies and story slideshows.
iMovie		iMovie lets you create Hollywood-style trailers and beautiful movies.

Wellbeing

Niggle Kids Helpline		Track your wellbeing, get personalised information, videos, podcasts, quizzes and tips to tame your niggles.
----------------------	---	--

Concept Curriculum

FUSE		Immerse yourself in content with a range of great resource types. FUSE is a great way to introduce children to the internet and let them explore.
YouTube		Watch, stream and discover what the world is watching with YouTube. YouTube gives everyone a voice and a platform to discover the world.
Compass		Fine compass directions and see your latitude, longitude and elevation, all with Compass from Apple.
