

# Rock Paper Sixths

## You will need:

- Game board
- Counters

## How to Play...

1. Choose which result of rock, paper, scissors will be the most likely result. Place your counters at the top of your chosen column.
2. Now it's time to play rock, paper, scissors! Record the result of each game by placing a counter in the appropriate column.
3. The first column to fill up is the winner. Did you choose it? If not, better luck next time.
4. Now it's question time. Ask each other: Is each result an equally likely outcome? How can you affect the result? What is each result as a fraction?
