

29 October 2021

Dear parent/guardian,

Highvale Primary School is looking forward to the upcoming school year and would like to advise you of Highvale Primary School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

Within our school, your annual curriculum contributions allow us to provide quality stationary items, digital learning including on-line learning subscriptions (ie. Mathletics, Reading Egg, Essential Assessments, SeeSaw etc), consumables for STEAM, PE, Performing Arts and our Languages programs to your child/ren.

Payment of other contributions allow us to ensure that we can provide students with the following:

- Student Wellbeing support
- Library book purchases and other equipment that sustain the library as a valuable resource
- School playgrounds maintenance and improvements
- Maintenance and renovations of school buildings
- First aid equipment

For further information on the Department's Parent Payments Policy please see a one-page overview.

We want to thank you for all you support in making these payments, and furthermore for the additional support you provide through fundraising or volunteering your time. This ensures we can continue the quality programs provided at Highvale Primary School for your children.

Yours sincerely,

Highvale Primary School
