

30th October 2023

Dear parent/guardian,

Highvale Primary School is looking forward to the upcoming school year and would like to advise you of our school's voluntary financial contributions for 2024. You will note that contributions have increased slightly in the Prep – Year 3 levels, which is due to increased costs from our suppliers of online learning subscriptions. We are pleased that despite these same inflationary pressures, no cost increases need to be passed on to our Year 4 – Year 6 levels.

Furthermore, we remain proud of the fact that Highvale Primary School has the lowest parent contribution fee amongst schools in the surrounding area despite remaining one of the highest achievers.

WHAT CURRICULUM CONTRIBUTIONS MEAN FOR YOUR CHILD

Our school relies heavily on curriculum contributions to allow us to provide students with the following:

- digital learning including on-line learning subscriptions (i.e. Mathletics, Reading Egg, Essential Assessments, Seesaw etcetera).
- the upkeep of technologies (i.e. Robotics, interactives and devices and materials for experiments).
- materials and equipment to support classroom programs.
- consumables for both STEAM specialist programs, Physical Education, Performing Arts and both Languages programs, Mandarin and German.

WHAT OTHER CONTRIBUTIONS MEAN FOR YOUR CHILD

Payment of other contributions allows us to ensure that we can provide students with the following:

- Student Wellbeing support
- Library book purchases and other equipment that sustain the library as a valuable resource
- School playgrounds maintenance and improvements
- Maintenance and renovations of school buildings
- First aid equipment

Highvale Primary School has, in the past, been well supported by parents making this contribution. We are hoping this tradition continues in the future so our students / your children can benefit from the extras we believe are necessary to provide the quality education we are proud of delivering.

Yours sincerely,

Highvale Primary School Council
