

GUIDE TO COMPASS

Compass Canteen

As a parent, you can use the Canteen module to order and purchase canteen food for your children via the Compass School Manager App or your school web portal. Orders can be paid for using your Compass Balance^{*} or a nominated credit card.

How to place a canteen order

To place a canteen order on behalf of your child (or children) when in the portal, go to the Community menu and select **'Canteen'**. This will take you to their Canteen dashboard.

On this page you will see any upcoming orders and can click to the '**Place Order**' tab to generate an order for your child. First, you will need to select which of your children you are creating an order for. Use the '**Next**' button to work your way to ordering screens to select a date, a menu and add items to the order.

Calippo Icy poles Rasberry flavoured	Carrot Sticks Freshly cut carrot sticks served with Hummus

After adding items to your order, select the **'Proceed to review order**' button to see which items have been added to the order, as well as leave any special instructions regarding the order.

The 'Add order' button will add this order to your cart. You can then continue to create orders for each child, or multiple orders for a child.

How to place a canteen order - continued

When you have finished generating orders, you then need to click 'Confirm and Pay' to proceed.

Select your preferred payment method and process the payment to finalise the canteen order.

How to place a canteen order via the App

To place an order using the app, click the menu (three stripes icon) and click **'Canteen'**. You will be taken to the Canteen Dashboard where you can see any upcoming orders. The Canteen screen has three tabs, Dashboard, Place Order and My Orders. You can click the tab headers to go to it or swipe across to move between tabs.

If you swipe to the '**Place Order**' screen you will be able to select the applicable child and create an order. You can continue to add orders to your cart for each child, or multiple orders on different days and then proceed to pay.

How to place a canteen order via the App - continued

Click '**Select Date**' and choose the date you want to place their order for. You will need to choose from the available menus on that date which menu you would like to create an order from.

You can scroll through the available items and click on the one you would like to add to the order. You can adjust the quantity and then click 'Add Item'. At the bottom you will see the summary showing the number of items and the total. Click 'Add Order' to proceed where you can create multiple orders, add special instructions or remove a particular order. When you are ready to pay, click 'Proceed to Checkout' to process the payment.
